## FREQUENTLY ASKED QUESTIONS:

### What time should I arrive at check-in in front of the Minneapolis Convention Center? And do I need to bring my own basketball?

Check-in and on-site registrations begin promptly at Noon and ends at 1:45 p.m. on 2<sup>nd</sup> Ave. S., in front of the Minneapolis Convention Center between the main entrance hall and west end of the building. Please do not bring a personal basketball, as each pre-registered Dribble participant will receive a FREE basketball, courtesy of the NCAA and Wilson.

### Can a Dribble participant (Dribbler) register and attend the NCAA Dribble without a parent/guardian?

We ask that all dribblers aged 12 and under be accompanied by a parent/guardian on the route. If participating in a group, one representative of a parent/guardian will suffice for a group of children. Waivers for EACH PARTICIPANT, (including chaperones, accompanying adult, patrons, etc.) should be completed prior to registering. [Click here](#) to download a printable waiver form.

### How do I register a group of Dribble participants?

If you are looking to register more than one child to participate in the Dribble, the [online registration page](#) gives you the option to add participants. You are able to register up to 10 participants at one time. We ask that if you are participating in an organized team or group, please indicate on the registration form who that group/team will be. If your group is larger than 10 participants, please fill out the registration form again, or as many times as necessary until your full group is registered.

Yes. All event day registration protocol must be fulfilled, but the participant does not need to be present.
