Sport Parent Code of Conduct

The Woodridge Park District (WPD), believes in holding all of its members (coaches, participants, parents, guardians, etc.) accountable to a strict code of conduct/behavior policy when playing, watching, or coaching any activity. This is a key principle to making sports, especially youth sports, a safe, fun, and positive environment. From participating in this program, you must abide by the Sport Parent Code of Conduct below:

- I pledge to conduct myself in a manner that will reflect positively on the WPD to show respect for all involved in the game including coaches, players, opponents, opposing fans and officials.
- I pledge to encourage in a positive manner the efforts of players and will refrain from yelling out instruction to my child or his/her teammates for I understand that this is the coach's responsibility and such instructions may conflict with their teachings. I understand that games are chaotic times for players to deal with fast-paced action and need the flexibility without ridicule to learn how to respectfully respond to game situations, opponents, teammates and coaches.
- I understand that mistakes are inevitable part of any game and that players need to learn from their own mistakes and I pledge to encourage their pursuit in advancing their skills and knowledge of the game and to not criticize their mistakes.
- I pledge to refrain from using alcohol and illegal substances during any practice or game whether on WPD property or elsewhere.
- I pledge to educate myself on the rules of the sport, so that I have a better understanding of the game and calls made by the official(s).
- I pledge to not use inappropriate language, profanity, obscene gestures, offensive remarks of a sexual nature, trash talking, taunting, boastful celebrations, or other actions that demean individuals or the sport.
- I pledge to refrain from confronting opponents, opponents' fans, coaches, or officials in a manner that would escalate any situation to a verbal or physical confrontation and I understand that it is in everyone's best interest to remain silent.
- I understand that it is a best practice to take a timeout (24 hours) prior to dealing with a coach about any player issues I have. I will not confront the coach in public, rather I will talk to the coach while calm and rational and will do so in a private manner. Public confrontation is embarrassing to the player and entire program and may result in myself being suspended from watching my child/player and/or result in my child/player being suspended from play for the team.

Signed Parent's Promise

At the beginning of the season, your coach will ask you to sign a form to confirm that you have read the Sport Parent Code of Conduct. ***Failure to comply with this code of conduct, will result in disciplinary actions being taken to resolve the issue. Actions may include but are not limited to verbal and/or written warnings, ejections and/or suspensions. Incidents will be handled how staff deems appropriate based on the severity of the incident.***

Volunteer Coaches Make It Happen!

We are extremely grateful for the volunteer coaches in our leagues. These programs do not have the success without them. Throughout the season, they may ask for help at practice or on game day. If you can, please step up and volunteer to help the team. The league rules can be found on the Team Sideline website under the "Downloads" tab.

Picture Day

Picture Day is scheduled for Sunday, November 3 located at the ARC in the Program Rooms. I will email the schedule once it has been confirmed along with details of how to view and purchase your order.
