1st & 2nd Grade – This six-week instructional volleyball league is the perfect place for your little one to start their volleyball journey. Enjoy the combination of skills training, game play, and of course fun! Each weekly session will include a 20-minute practice where referees and coaches will help your player learn the fundamentals using the provided warm-up games. Immediately following the practice session, teams will have the chance to show off their skills as they play two games, 10 minutes each. No score will be kept.

3rd – 6th Grade – This will be a traditional league with a 6-game season. All grades will be divided (3rd, 4th, 5th, 6th) unless there are not enough teams in each division in which case 3rd/4th will be combined and/or 5th/6th will be combined.

VOLLEYBALL

League Rules:

The Republic Parks & Recreation Department will follow HOA/USA Volleyball rules with exceptions for certain rules as follows:

1. Teams must be comprised of at least 8 players and we recommend no more than 12 players. At least 4 players must be present at the start of the game or the game will be considered a forfeit. A five-minute grace period will be given for the first match of the night. If the game is forfeited, you may use the court for practice time, but it will not be officiated.
2. Gametimes that are not starting on time or ahead of schedule will get 3 minutes total warmup time; this should be an open-serve period back-and-forth with the opposing team.
3. In the 3-6th grade divisions: each match will consist of a best of three series of games. The first two games will be rally scored to 25 points (30 point cap), and the third game (will always start at 0-0), if needed, will be rally scored to 15 points (20 point cap). Every match must be won by a 2-point margin unless the cap is reached. 1-2nd grade will play time-based games, with no scoring being kept.
4. Teams will follow standard substitution procedures as follows: starting players may be replaced by any player on the bench (but not by another starter). Once a starter is replaced, to be eligible to come back into the game they must re-enter for the player that took their spot. The rotation must continue in this same manner for that game. No substitutes can sub for more than one starter/position in the same game.
5. Injury substitutions may be made at any time and team may play with fewer than four players in an injury during the game causes the team to be short.
6. Each team must provide their own line judge for each game. Line judges must be at least 15 years old.
7. Time-outs may be requested any time the ball is dead. Time-outs may not be requested after the service whistle. Teams are allowed 2 time-outs per game, 1-minute each, with no carry over. If a third game is required, only one time out is allowed.
