On this page, you can add your players to the roster. **Be sure to add each player's email address as an invitation to join your team will be sent to them so that their parent/guardian can read and sign the tournament waiver.

Once a player has replied to your email invitation and completed the information and signed the waiver, there will be a check mark under "Enrolled". You can log in and view your team's status any time.

Don't worry about clicking "SUBMIT" on your roster as we know that players availability can change up until the day before the tournament.
