If it is overturned, the team will not be charged a timeout. If not overturned, the team will be charged a timeout. If the team is out of timeouts, the coach cannot protest rule interpretation applications and can be charged a technical foul.
3. Player eligibility is the only item that can be protested before, during, or at the conclusion of a game. To overturn a game, the player eligibility protest must be submitted by the head coach AND emailed within 24 hours of the scheduled game. 3. Substitutions may be made at any dead ball. Each player must receive opportunities for equal playing time. If a coach/team is found in constant violation of this rule, then the Sport Director or designated staff may enforce substitutions to be made at the midpoint of each quarter.

III. Game and Field

1. The field dimensions are 30 yards by 70 yards. This will depend on the field availability for each YMCA. Most fields will be 30 yards by 70 yards. Each will have two 10-yard end zones, and a midfield line-to-gain. No-run zones precede each line-to gain by 5 yards. However, some tournaments may use smaller fields because of field space available or to complete tournament scheduling on time.
2. 3rd and up: No-run zones are in place to prevent teams from conducting power run plays. While in the no-run zones (a 5-yard imaginary zone before midfield and before the end zone), teams cannot run the ball in any fashion. All plays must be pass plays, even with a handoff. Each offensive team approaches only TWO no-run zones in each drive (one zone 5 yards from midfield to gain the first down, and one zone 5 yards from the goal line to score a TD).
3. K – 2nd **DOES NOT** have “NO RUN ZONES”, defense must line up 5 yards from the Line of Scrimmage and defense can not rush.
4. At the start of each game, Teams will recite the YMCA Pledge. Afterwards, captains from both teams will conduct the coin toss to determine who starts with the ball. The visiting team calls the toss. The winner of the coin toss has the choice of offense or defense. The loser of the coin toss has the choice of direction. Possession changes to start the second half for the team that started the game on defense.
5. The offensive team takes possession of the ball at its 5-yard line and has four (4) plays to cross midfield. Once a team crosses midfield, it has four (4) plays to score a touchdown. If the offensive team fails to cross midfield after the 3rd down and elect to “punt” on the 4th down, possession of the ball changes and the opposing team will start a new possession from its own 5-yard line. If the offensive team goes for it on 4th down and does not cross midfield, the opposing team will start a new possession from the spot where the 4th down ended.
6. Anytime there is a ‘PUNT or PLAY’ decision after the 3rd down, the referee will ask the offense’s Head Coach to declare ‘PUNT or PLAY’. After crossing midfield, if the offense fails to score on 4th down, the ball changes possession and the new offensive team start at its 5-yard line
7. Teams change sides after the first half. Possession changes to the team that started the game on defense.
8. MERCY RULE: When a team is up by 21 or more, defense must line up at there respective defensive cone and cannot rush

IV. Timing

1. Games are played on a 40-minute continuous clock with two 20-minute halves. Clock stops only for timeouts or injuries.
2. Halftime is five minutes.
3. Each time the ball is spotted, a team has 30 seconds (45 seconds for K-2nd) to snap the ball. Teams will receive one warning before a delay-of-game penalty is enforced.
4. Each team has One (1) 45 second timeouts per half. Time outs can carry over to the second half.
5. Officials can stop the clock at their discretion.
6. In the event of an injury, the clock will stop then restart when the injured player is removed from the field of play.
7. **No Overtime for the Regular Season.**

V. Scoring

Regarding the neutral zone, the official may give both teams a "courtesy" neutral zone notification to allow their players to move back behind the line of scrimmage.
3. A player who gains possession in the air is considered inbounds as long as one foot comes down in the field of play.
4. The defense may not mimic the offensive team signals by trying to confuse the offensive players, while the quarterback is calling out signals to start the play. This will result in an unsportsmanlike conduct penalty.

7. Play is ruled "dead" when:
 - a) The ball hits the ground (3rd and UP)

NOTE: There are no fumbles. The ball is spotted where the ball-carrier's feet were at the time of the fumble.

8. In the case of an inadvertent whistle, the offense has two options:

- a) Take the ball where it was when the whistle blew, and the down is consumed.
- b) Replay the down from the original line of scrimmage.

4. Absolutely NO pitches or laterals of any kind past the line of scrimmage.

5. No-run Zones are located 5 yards before each end zone and 5 yards on either side of midfield are designed to avoid short-yardage power-running situations. Teams are not allowed to run in these zones if the subsequent line is LIVE.

6. Any player who receives a handoff can throw the ball from behind the line of scrimmage.

7. Once the ball has been handed off in front, behind or to the side of the quarterback, all defensive players are eligible to rush.

1. Shovel passes are allowed
2. Passes for Kinder will be defined as a forward pass 1 yard in front of the QB. Cannot be a direct handoff.
3. Passes for 1st-8th grade will be defined as a pass received beyond the line of scrimmage
4. The quarterback has a seven-second "pass clock" in grades 1st – 8th. If a pass is not thrown within seven seconds, play is dead, loss of down. Once the ball is handed off, the seven-second rule no longer is in effect.
5. 15 second pass clock in grades Kinder. If the ball is not released the play will be blown dead with loss of down from the previous spot.
 - a) a. If the QB is standing in the end zone at the end of the 7-second clock, the ball is returned to the LOS.
 - b) If the QB throws the ball and then catches it, the play is dead and treated as an incomplete pass.
6. Interceptions change the possession of the ball. All interceptions may be returned. Interceptions are the only changes of possession that do not start on the 5-yard line.

2. Only one player is allowed in motion at a time. All motion must be parallel to the line of scrimmage, and no motion is permitted toward the line of scrimmage.
3. A player must have at least one foot inbounds when making a reception.
4. In the case of simultaneous possession by both an offensive and defensive player, possession is awarded to the offense.

X. Rushing the Passer

1. All players who rush the passer must be a minimum of 7 yards from the line of scrimmage when the ball is snapped. Players not rushing the quarterback can defend on the line of scrimmage.

5. The offense cannot impede the rusher in any way. The rusher has the right to a clear path to the quarterback, regardless of where they line up prior to the snap. If the “path or line” is occupied by a moving offensive player, then it is the offense’s responsibility to avoid the rusher. Any disruption to the rusher’s path and/or contact will result in an impeding the rusher penalty. If the offensive player does not move after the snap, then it is the rusher’s responsibility to go around the offensive player and to avoid contact.
