

SGK Bats 4 A CURE

Special Edition

April 29th, 2024

Susan G Komen

BATS 4 a CURE

Tournament is Almost Here!!!!

This season we have so many ways to get involved with this great event. In its 12th season, this event draws teams from all over the metro area and around the state, and this year we again have a complete sell out at all age levels, Machine Pitch to 14U.

There is something special about walking through all the game sites and seeing the players and families united in PINK. There are so many families in our organization and around the baseball and softball community that have been or are currently affected by breast cancer, and your donations stay in our state and in our communities. To date we have donated over \$215,000 to Susan G Komen Colorado. Through the years the shade of pink has changed, but the purpose has always been the same, serve our community and give to those that are in need. The pride that our players show in spending the weekend being bigger than the game, knowing they are making a difference is a core memory that they will cherish for a lifetime.

New This Year

We have created a donation tab on the Thunder Baseball Website.

100% of the proceeds go directly to Bats 4 a Cure!!!

Please share the link below with family and friends, co workers, delivery drivers, dog walkers, personal trainers, really anyone that you know.

Go Grey In May

Why do we go GREY IN MAY.....

May 15th, 2024 will be 10 years since our MVP, Tyler Morrison, went to play with the "Greats". Tyler will forever be 13 to most of us that were blessed to know and spend time with but his legacy lives on every year we are able to help other families fighting Childhood Brain Cancer by donating to Children's Hospital Denver/Neuro-oncology Department, as well as Bats 4 a Cure Ryan from BSN blesses us every year with wonderful gear available to everyone to show your support for your favorite CBPA/Thunder MVP and be able to give back to the community fighting for every single child out there!

- Heather Morrison

May is Brain cancer awareness month, and May 17th is DIPG awareness day. DIPG is a terminal, aggressive type of brain tumor that typically affects children. In May of 2014 alone DIPG took 2 amazing children from our broomfield community. Our organization has had more than a handful of families affected by childhood cancer and we are committed to helping find a cure and helping families in their battle against childhood cancer.

Our annual Bats for a Cure tournament is fast approaching, and we need your help with donations for team baskets and other auction items. These items will be part of our silent auction at the Friday Night Kick-Off Event on May 31 at BIP, a crucial component in helping us reach our fundraising goal every year. Your participation is key to the success of this event.

Over the past 12 years, TBL has donated over \$205,000 to Susan G. Komen Colorado, which helped many women through their breast cancer journey. Our silent auction at the Friday night Kick-Off Event plays a considerable part in helping us achieve our fundraising goal every year. If your team is playing in the tournament,

It is highly encouraged that your team participates in the auction by donating a TEAM gift basket or other silent auction items.

Please fill out this Google Form by this Wednesday, May 8, if your team is going to participate by donating a basket or other auction items. Be sure to include a detailed description of what is in the basket and the value of the entire basket so that we can share that with our bidders.
