YMCA PHILOSOPHY

YMCA youth sports are based on the concept that fair play is the very essence of competition. Everybody should have an equal opportunity to compete and a fair chance to participate.

Fair play implies respect for oneself, one's opponent, and others involved in conducting the competition. Players, coaches, officials, and spectators share a responsibility for fair play. Fair play sets the child above the game. The YMCA believes that its youth sports programs provide an excellent environment for developing sound spirit, mind, and body. As these virtues grow, they will influence behavior in everyday life.

The YMCA also believes that its youth sports program will help families and individuals to grow personally, clarify values, improve relationships, appreciate diversity, develop leadership skills, and have fun. It is for the development of such virtues that the YMCA promotes its youth sports programs. At the YMCA, "Everyone is a Winner."

YMCA PLEDGE

WIN OR LOSE,
I PLEDGE BEFORE GOD,
TO PLAY THE GAME AS WELL AS I KNOW HOW,
TO OBEY THE RULES,
TO BE A GOOD SPORT AT ALL TIMES,
AND TO IMPROVE MYSELF
IN SPIRIT, MIND AND BODY

YMCA COACHES CODE OF CONDUCT

The YMCA believes that sports should offer competitive fun in a learning and healthy environment. All coaches should read and abide by this Code of Conduct. Following the Code of Conduct will make the games more enjoyable for all and help teach children that competition can take place in a friendly and fun atmosphere.

1. I will remember that I am a youth sports coach, and that the youth sports experience should be enjoyable for the players and their families, spectators, officials, and all others concerned.
2. I will place the emotional and physical wellbeing of my players ahead of a personal desire to win.
3. I will not engage in negative discussions with any game official, player, parent, coach, spectator, committee member or YMCA employee.
4. I will do my best to teach the four pillars of character values (trustworthiness, respect, responsibility & caring) to my players with my words and my actions.
5. I will be knowledgeable of the rules and the fundamentals of the game and do my best to teach them to my players.
6. I will abide by all the rules and regulations of the YMCA.
7. I will assure that my players and I recite the YMCA Pledge before each game and shake hands with the opposing team after each game.
8. I will see that any disputes are handled calmly and by the proper procedures and proper authorities.
9. I will not allow my team's parents to act in a way that demonstrates disrespect for the game officials or any member of the opposing team's players, coaches, parents, or spectators.

❖ At no time shall the following be used as a form of discipline by coaches, staff, or other volunteers in youth sports programs:

- Restriction of water or use of bathroom.
- Physical exercise.
- Harsh, demeaning, or negative yelling.
- Physical force (including shaking or striking)

Pre-match Procedures & Game Protocol

Conference: A conference will be conducted by the referee between both coaches from each team 10 minutes before gametime. If a coach is late, conference may continue without them. YMCA officials, use this time to introduce yourselves and introduce both coaches to each other. Ensure both coaches are wearing their YMCA issued green coach shirt. Information on overhead obstructions, non-playable court obstructions, etc. will be given at this time. After this has been done, the official will call over a captain from both teams.

Coin Toss and Service: The referee will conduct a coin toss with captains from each team. The visiting team will call the coin toss. The winner of the coin toss will choose to serve or receive. For the second set, teams will change sides and the team that received in the first set will now serve first. If a third set is needed, a coin toss will again determine which team will serve first. The home team captain will call the coin toss for the third set. The team losing the coin toss will choose what side of the court they want to play on for the final set.

Switching Sides: After the end of the first set, both teams will switch court sides and benches.

Warm Up: Warm up will begin 8 minutes before gametime. For example: if the game starts at 6:00pm, warm up will start at 5:52pm.

Warm-up time will be as follows:

3 minutes of full court access for the visiting team

3 minutes of full court access for the home team

2 minutes of serving for both teams combined

Line-up:

Prior to the match, the coach will submit a line-up to the scorekeeper. The line-up will consist of the names and numbers of the players in the order in which the players will play. The coach will circle their first server. This scorecard will be given back to the coach at the end of the game. This will be required for the 5th/6th and 7th/12th divisions only.

Game Protocol:

At the start of each match, the official will bring all players to the middle of the court to recite the Y Pledge and pray.

Game Officials:

Referee:

A referee will be provided for each match by the YMCA.

Linesperson:

Each team will provide linesperson that is 16 years old or older. The linesperson will be positioned off the court on the left-hand back corner opposite the server on both back lines. The linesperson does not change sides during the match. The referee has the right to overrule the linesperson's call at any time without explanation. A linesperson may only address the referee during a dead ball and only signal an out of bounds ball, a foot fault, and a touch. The linesperson may not speak to any of the players during the match.

Scorekeeper:

The home team will provide the scorekeeper for the book. The scorekeeper will keep the score and notify the referee of any rotation issue. The visiting team will provide a scoreboard keeper. These individuals will only address the referee during a dead-ball and only regarding time, scoring, or rotation problems
