FREQUENTLY ASKED QUESTIONS

Can my child play up in a higher division?

YES, in the older leagues. You may have your child play up from Coach Pitch 7/8 to Minors 9/10 or Minors 9/10 to Ozone 11/12 if their skill level is on the same level as the middle level players in the advanced league.

Can my child play league ball while playing travel baseball?

YES, We have numerous kids in the league that play both travel baseball and league baseball. The older divisions normally do not play on weekends to accommodate for the travel season. Coach Pitch 7/8, Minors 9/10, and Ozone 11/12 will have a mid-season tournament on one Saturday in late April or early May. This tournament will be a travel baseball format.

I need help with my registration fees. Can I make payments?

Beauregard Baseball Association does not want any child that wants to play baseball to miss out because of a financial issue. Payment plans are usually not an option but contact a member of Beauregard Baseball to discuss options.

Is the price to play ball this season correct on the Team Sideline website?

Yes, the price on TeamSideline does reflect the correct cost to play. The price you pay covers the following: Jersey, Hat (BB)/Visor(SB), Sleeve ties(SB), Balls, umpires, insurance, DUB (BB)/DYS (SB) Sanction fee and allows for no fundraiser. Includes: Use and purchase of new pitching, machine, nets for the cages, and catching gear. This also includes 13-15 ball games and some tournaments. Do keep in mind we are a non profit and we do not have a budget like "city leagues." Example, Auburn and Opelika. If price is a make or break issue please reach out to a BSA team member and let's chat. Teeball is slightly cheaper due to less need of equipment and umpires etc.

ALL STAR SELECTION

Player Selection Process

For a player to be considered for one of the All-Star teams, they must compete in at least 75% of games scheduled during the season. Head Coaches will meet with the League and Division Commissioners. They will nominate eligible players to select. Players who receive unanimous votes are placed on the team followed by those who receive a majority of votes until all roster spots are filled. In the event of a tie vote, ballots will be returned to the Coaches to vote again on those players who received the same number of votes.

Coach Selection Process All-Star teams will consist of one Head Coach and up to three Assistant Coaches. A candidate is any Coach or Assistant Coach that was a part of a team staff during the Spring season. Head Coaches will meet with the League and Division Commissioners. Head Coaches will be selected based on game record and the nomination by both the League and Division Commissioners. The Head Coach of the team will be allowed to build their staff from the remaining eligible candidates.

Sponsors and Donations

This season we have new sponsorship/ donation packages that should entice many businesses by getting more advertisement at the ball park during our ball season. Please take time to check this out as we have worked hard to come up with something different.

-We will NOT have sponsors on jerseys this season.

-Forms will be available to give and/or send to the business itself as many need this for tax purposes.

Pictures

We will be using the same people for photography as the system is working great. With this teams will have a designated time to meet at the photography trailer take an individual picture of each player that will be used to create a team photo. Coaches are optional if they too wish to be photographed they are encouraged as well. Pictures can be ordered with cash, or by a QR code that the company supplies the day of photos.
