Kindergarten (5); 1st grade (6); 2nd grade (7); 3rd grade (8); 4th grade (9); 5th grade (10); 6th grade (11); 7th grade (12); 8th grade (13-14). High School students are ineligible to participate in the JYFA program.

1.5 All players in Kindergarten through 2nd grade will participate in a modified or Rookie Tackle format. The format and rules will be agreed upon by a majority vote of the county board.

1.2 If a team at any age or grade level, cannot field a full team, then that team may allow the lower age or grade level players to play up. Players who play up may continue to do so. This will not count as their one time grade level return.

1.2.1 In the event that an area has registered Kindergarten and 1st-grade players without the ability to fill a roster the players will be allowed to play on a kindergarten/1st grade team of an adjacent area to fill a roster spot.

1.2.2 The players will return to their home area the following season.

1.3 Players who meet the age requirement as of Oct 1st of the current year may be permitted to play with their age level team regardless of the players' grade in school. Players who elect to play with their age level team may only do so once in their JYFA career. Players will be permitted to return to their grade level team one time at any point in their JYFA career. Players are only allowed to play one grade level up and never play a grade level down. Parent of players who elect to play up with their age level team under this rule must sign a written acknowledgement stating their understanding of the expectations and consequences of this rule. This written acknowledgement will be filed with the players' football club (association) and JYFA executive board.

1.3.1 Players will not be permitted to play in a lower age group or grade level except under the following conditions, both of which must be met.

1.3.1.1 The player is enrolled in a Colorado public school or equivalent home school grade in accordance with the CDE at that grade level;

1.3.1.2 The player does not turn two years older than the age group before November 30 of that season's year. For example, a player who is enrolled in the 4th grade will not be permitted to play at the 4th grade level if that player turns 11 before November 30 of that season's year. The maximum age at each grade level is listed below:

1st Grade: Cannot be 8 year old before Nov 30

2nd Grade: Cannot be 9 year old before Nov 30

3rd Grade: Cannot be 10 year old before Nov 30

4th Grade: Cannot be 11 year old before Nov 30

5th Grade: Cannot be 12 year old before Nov 30

6th Grade: Cannot be 13 year old before Nov 30

7th Grade: Cannot be 14 year old before Nov 30

8th Grade: Cannot be 15 year old before Nov 30

1.4 Any player who was previously rostered on a JYFA team with players one grade above that players school grade, may elect to move down to that players school assigned grade level one time in that player's JYFA career. A player who was previously rostered on a JYFA team at a grade level lower than that player's age and is more than two year older than their grade level accordance with rule 1.1 must move up to the assigned age group and grade level. No "grandfathering" will be allowed under any circumstances.

1.5 During the period of July 1 – December 1, no player participating in a tackle football program (including school programs) other than JYFA is eligible for participation in JYFA.

1.5.1 Players found to be concurrently rostered to a JYFA team and participating in another football program shall be deemed illegal and *Section 11 Rule 4* will apply.

1.6 A child who turns 15 years of age prior to November 30th is ineligible to participate in the JYFA program.

2.1.2 A written medical release not more than 12 months old allowing for participation in sports activities. Any player who has a medical release which expires during the season will need to submit an updated medical release before the existing release expires.

2.1.3 Proof of age, grade and residency. Accepted forms of verification are school district student demographic documents containing all this information *or* copy of birth certificate, passport, government issued identification card report card and utility bill.

2.1.4 The parent's code of ethics is received.

3 REGISTRATION

3.1 Registration will be officially closed at the time of the county bracketing, with the following exceptions: (A player may be accepted after the County Bracketing meeting date if the following procedure is adhered to)

3.1.1 Area President/Director assigns the player to the team with the smallest roster in his/her area with the signed approval of the County President.

3.1.2 If the area has full rosters in the player's age group, the player will go to the closest geographical area with an opening on a roster in the player's grade. See Section II, Rule 2.

3.1.3 The County President or his/her designee will perform weigh-in. A player cannot enter the program after the second game has been played by any team in the grade level in which that player will compete.

4 ROSTERING

4.1 Area Presidents/Directors have prime responsibility to roster players on teams and to do so within the association rules in accordance with Rule 2 Player Requirements

4.2 Returning players should appear on their previous team's roster.

4.3 For returning players wishing to change teams or new players to JYFA, parents may designate their player to be entered into the blind draft and request a level of play. No coach or team request is allowed. No guarantee of movement will be made to parents or players.

4.4 Areas may not add a player under the guise of the player's relative being an assistant coach, unless it is a rookie team of any age.

4.5 Any parent, player, relative or coach who alters or modifies official documents such as birth certification, report cards, etc., in an attempt to play out of the player's true grade will be suspended for one (1) calendar year. Re-entry into JYFA for those violations will require a majority vote of the JYFA Board.

4.6 Areas that have two or more 7th grade teams advancing into Seniors, may combine rosters to form a team if numbers are not sufficient to form two or more teams. Any combination of two or more rosters must be ratified by the county board by a majority vote. Any and all roster combination is subject to Rule 12 placement.

5 OFFICIAL ROSTERS and ELECTRONIC PLAYER PROFILE

5.1 Official Roster listed information shall be determined by the JYFA Executive Board for the season and based upon available information in electronic player records.

5.2 The weight, jersey number and patch designation of each player will be recorded on the roster in ink at the time of the official weigh-in, for those teams that have backfield weight limits.

5.3 All 3rd – 8th grade players must reappear on their previous year's roster unless the parent has opted for the blind draft.

5.4 An official roster must be available at all games as well as an emergency contact list of players.

5.4.1 The official roster must be signed by the County Board, Area President/Director, and Head Coach in ink at the official weigh-in.

5.4.2 As part of the pre-game warm up and prior to the start of the game, the opposing head coaches or their designee will meet to review the official rosters as related to the patch players on each team. If it is found that any player required to have a patch does not, that player will not play until the patches are secured to their helmet.

5.4.3 If an official roster is not presented, the game is played under protest until the roster is presented. If the roster is not present prior to the end of the game the team will forfeit and counted as a loss by the team unable to or refusing to present their official roster. In the case that neither team has their official roster by then end of the game, the game is counted as a loss for both teams. This rule will be administrated and enforced by the JYFA. A roster can only be challenged before the beginning of a game.

5.5 Areas must maintain an Electronic Player Profile for each rostered player in the area website sanctioned by JYFA.

5.5.1 The Electronic Player Profile shall include electronic copies of the documents required by Rules 2.1.2, 2.1.3, 2.1.4 and 2.1.5.

5.5.2 The Electronic Player Profile shall include a photo clearly displaying the player on the official roster in uniform wearing their official roster number.

6 PLACEMENT

6.1 Establishment of Rookie Tackle and 3rd grade teams is determined by JYFA geographical area with the recommendation to keep the number of players on each team in balance. Any player registering after the draft shall go to the team with the fewest players in the grade as stated in Section I Rule 6.

6.2 All new players and returning players wishing to change teams must be placed by draft when there is more than one team in a grade level. Players may designate a desired level of play.

6.3 3rd grade through 8th grade returning players must remain on the same team, this includes players who do not play for one year but wish to return unless they wish to transfer to another team in their area with county approval. Former JYFA players who have not played for two years or more are considered new players to be placed in the blind draft. See restrictions.

6.4 Players from another area must return to their home area. New players or those desiring to transfer to another team (after county approval) will be used to numerically balance out existing rosters or to form new teams.

6.5 Selection should be accomplished by players remaining unidentified with the exception of grade, backfield eligibility and requested division placement. This constitutes a draft.

6.5.1 Draft Cards may contain the following information:

6.5.1.1 Grade

6.5.1.2 'P' if the player is over the backfield limit in the age group

6.5.1.3 A random player identified # known only to those administrators conducting the draft.

6.5.1.4 High school identifier - Only if the area builds 3rd grade teams along high school lines.

6.5.1.5 Level of play only if the player has requested in writing to the Area Director. This is for new and returning players.

6.6 Draft Procedure may be done in one of the following ways as determined by the Area Board. All age groups in the Area's draft will be done the same way.

6.6.1 The team with the most returning players will select first, each team in the age group will make one pick in order, until rosters are full and all children have been selected.

6.6.2 The team with the worst record/seed will select first, each team in the age group will make one pick in order, until rosters are full and all children have been selected.

6.6.3 Rookie teams will select first, then the longest standing teams in order, each team in the age group will make one pick in order, until rosters are full and all children have been selected.

6.7 Information that may be given to individual coaches at the time of the draft is confidential and may not be shared with any other coach.

6.7.2 A 'Recruit list' of new players - Given if:

6.7.2.1 The coach has submitted a list of specific NEW players to his Area Director at least two (2) days prior to the draft; and

6.7.2.2 The parent has confirmed in writing to the Area that the child has been recruited.

6.8 No child is guaranteed placement on any particular team regardless of any recruiting or draft requests. Each area must give notice of the date, time, and place of any impending draft to the JYFA president, with a minimum of five (5) days' notice, so as to allow a JYFA officer(s) (not affiliated with the area conducting the draft) to be in attendance for purposes of monitoring the draft as deemed necessary. Players not rostered by areas will be placed on a county-wide waiting list and placed as needed.

6.9 RESTRICTIONS:

6.9.1 No coach may recruit returning JYFA players.

6.9.2 No coach may recruit players from other teams or areas.

6.9.3 No coach may select a player before the draft or official rostering.

6.10 Recruiting: Coaches may recruit new players to their specific team. (New players are defined as any player who has not been rostered on a JYFA roster for 2 years.) Placement of recruited player must be accomplished through the draft and teams must remain balanced. Area directors must set the number of recruits each team is allowed prior to the draft as determined by the overall numbers and the requirement to maintain balanced numbers on teams.

Example: Area has 3 teams in 4th grade with a total of 66 players in the age group. The Area has determined prior to Draft that each team will have 22 players. Team A has 19 returning players, team B has 14 returning players and Team C is a rookie team. All players shall be placed in the blind draft, if a Team has "recruits" the Area may provide the coach with a "Recruit List" but cannot guarantee placement.

6.11 Current JYFA players participating in off season play such as but not limited to spring leagues, post season tournament teams, FBU or equivalent all-star teams that are coached by someone other than their JYFA coach cannot be recruited by or rostered on the off-season coaches JYFA team.

7.1 If an ineligible and/or illegal player is discovered to be playing or has played on a team, the following process must be completed and disciplinary actions carried out.

7.2 The player shall not be allowed to participate in JYFA scheduled games from the time of discovery until process is completed or until the issues of eligibility are resolved, whichever occurs first.

7.2.1 The head coach of the team is directly responsible for his/her players and as such disciplinary actions will be directed at him.

7.2.2 The player and his family know the requirements of eligibility and as such disciplinary action will be directed at them.

7.3 A disciplinary hearing will be called and held by JYFA members prior to the team's next scheduled game to hear the facts of the case and render a decision concerning eligibility and determine disciplinary action for the head coach, player, and/or board member.

7.4 The disciplinary actions are as follows:

7.5 Coach:

7.5.1 First Offense: If the head coach has knowingly played an ineligible and/or illegal player said coach would be suspended for the next scheduled game (JYFA post-season play included) and any games the player had played will be forfeited.

7.5.3 Third Offense: Dismissal from the program, can reapply the next season only through an official meeting of JYFA members.

7.6 Player:

7.6.1 Suspended for the season. All games he/she played in will be forfeited.

7.7 Board Member:

7.7.1 If a board member knowingly entered an illegal/ineligible player, he/she will be suspended for that year.

7.8 The above rule and hearing shall be done in a timely manner and is comprehensive, e.g, the coach and the player are both disciplined, one is not exclusive of the other, if the JYFA board finds

sufficient proof to direct disciplinary action. An area should remain free to hear and discipline their own individual cases prior to them reaching the JYFA level.

Repeated violation of the rule shall be grounds for the expulsion of the player and/or coach as it is unsportsmanlike conduct. There are no backfield limitations for the senior teams.

9 WEIGH-IN

9.1 All Players must attend their Official Area Weigh-in to be eligible to participate in JYFA.

All age groups who are subject to a backfield weight limit must weigh in.

9.1.1 If any player will not be available for their scheduled weigh-in date, it is the responsibility of the Head Coach to notify the Area Director. Players who miss their Official Area Weigh-in will be weighed in by the JYFA President or his/her designee at a time and location determined by JYFA.

9.1.8 Any change to the date/time/location of a weigh-in must be communicated to the JYFA President with a minimum of five (5) business days' notice, so as to allow a JYFA representative to be in attendance.

10 SWEATDOWNS

10.1 JYFA is opposed to sweating a child down to make weight. It is unhealthy for a child to lose significant body weight. Patch limits are in place to protect the smaller children from injury due to significant weight differentials.

10.2 To discourage coaches and parents from sweating down a child, each coach will be given three (3) player challenges per season.

10.3 A challenge must be filed prior to the end of a game and if the player in question plays in the backfield and is determined by re-weigh to be more than 10% over their weigh-in weight, the game will be forfeited.

10.4 If a challenge is filed, the player in question will be re-weighed by a county official and will be given no more than 24 hours' notice of re-weigh.

10.5 Time and place of re-weigh will be determined by county official and shall take place no more than 72 hours after challenge.

10.6 This is not to exclude challenges filed midweek prior to a game. Note: A Coach of the team filing a Challenge must attend the re-weigh.

10.7 A player who does not comply will be automatically patched. Any player found to weigh 10% over their weigh-in weight and over the weight limit in their age group will be patched for the remainder of the season.

11 WAIVERS

11.1 All Players are required to play within the area where they reside or attend school unless a waiver has been approved. This is hereafter known as a player's "Home" area. Home area is also defined as participation in an association for two (2) or more seasons outside residence or school attendance.

11.1.1 Any returning player requesting a waiver out of their defined home area (11.1) will be allowed one move within JYFA away from their home area during their career without penalty. Any further movement will result in a three (3) game delayed start for that player unless returning to their original home area. This does not apply to "New" players to JYFA or players residing in an area outside JYFA association boundaries.

11.2 ALL WAIVER FORMS MUST BE SIGNED BY BOTH AREA PRESIDENTS INVOLVED AND APPROVED BY THE COUNTY PRESIDENT. All appeals to a penalty must be given to JYFA in writing with supporting documentation prior to bracketing for that season. The JYFA executive board may allow or deny any waiver at their discretion

11.2.1 If the President of the Area that the child wishes to move from refuses to grant the waiver, the accepting area may ask the JYFA Executive Board to approve the waiver without said directors signature,

11.3 All players waived to another area must go into the blind draft, the only team in that grade or to the team with the smallest roster on the date of the waiver.

11.3.1 A player may request a certain level of play but will be drafted or placed following JYFA rules.

NFHS COACHES CODE OF ETHICS

The function of a coach is to educate students through participation in interscholastic competition. An interscholastic program should be designed to enhance academic achievement and should never interfere with opportunities for academic success. Each student-athlete should be treated as though he or she were the coaches' own, and his or her welfare should be uppermost at all times. Accordingly, the following guidelines for coaches have been adopted by the NFCA Board of Directors.

The coach shall be aware that he or she has a tremendous influence, for either good or ill, on the education of the student-athlete and, thus, shall never place the value of winning above the value of instilling the highest ideals of character.

The coach shall uphold the honor and dignity of the profession. In all personal contact with student-athletes, officials, athletic directors, school administrators, the state high school athletic association, the media, and the public, the coach shall strive to set an example of the highest ethical and moral conduct.

The coach shall take an active role in the prevention of drug, alcohol and tobacco abuse.

The coach shall avoid the use of alcohol and tobacco products when in contact with players.

The coach shall promote the entire interscholastic program of the school and direct his or her program in harmony with the total school program.

The coach shall master the contest rules and shall teach them to his or her team members.

The coach shall not seek an advantage by circumvention of the spirit or letter of the rules.

The coach shall exert his or her influence to enhance sportsmanship by spectators, both directly and by working closely with cheerleaders, pep club sponsors, booster clubs, and administrators.

The coach shall respect and support contest officials. The coach shall not indulge in conduct which would incite players or spectators against the officials. Public criticism of officials or players is unethical.

Before and after contests, coaches for the competing teams should meet and exchange cordial greetings to set the correct tone for the event.

A coach shall not exert pressure on faculty members to give student-athletes special consideration.

A coach shall not scout opponents by any means other than those adopted by the league and/or state high school athletic association.

14.2 For season bracketing described in 14.3 all areas will be responsible for assigning teams in the area's designated seeds.

14.2.1 If a team disbands and the area is unable to replace all designated seeds, the area will slot an area team in the highest seed first and drop their lowest seeded slot.

14.2.2 The area director may replace their lowest seed (only after filling top seeds) with a rookie team built with a roster of 25% or less returning athletes. The rookie roster will be frozen to returning players at bracketing.

14.3 JYFA will divide all teams into a pool.

14.4 Each team will be scheduled to play teams within their pool with the majority of their games played against the eight teams in their bracket.

14.5 For Playoff seeding, each team's regular season win total divided by the regular season strength of schedule to create a "power ranking". The power ranking will determine the seeding for the playoffs.

14.5.1 Any team finish without a win will be awarded the win total of 0.5 to divide by their strength of schedule number of to determine their power ranking.

14.6 At the conclusion of the season (after Carnation Bowl) all teams will be ranked based upon regular season wins and, or playoff results, as some teams may not make the playoffs. This will determine the seeding for the next season

14.6.1 In the event there is more than one pool for an age group the bottom two teams of the top pool will move down and the top two teams for the bottom pool will move up for bracketing of the next season.

15 SEASON SCHEDULING

15.1 The season shall begin "0" Week for all teams.

15.3 All teams will be scheduled to play 8 regular season games.

Schedule requests may be made by the Area Director to JYFA at the bracketing meeting but no guarantee of accommodation will be made. Any request made after the official schedule is released will not be accepted.

15.5 No team may make schedule changes.

15.6 Fields are rented from local Recreation departments and schools and closure of fields is determined by those entities.

15.7 When weather conditions dictate the closure of fields every effort will be made to reschedule effected games.

15.7.1 Games may be rescheduled to weeknights when space and lights are available.

15.7.2 Games may be moved to Sunday

15.7.3 When more games are affected than there is space available to complete all scheduled games the season may be "pushed" 1 week.

15.7.3.1 "Pushing" the season means that the schedule is delayed by one week. i.e. When Week 5 games are cancelled due to field closure all Week 5 games will be played the following weekend and all following games are then pushed out 1 week, including post season and Carnation Bowl.

15.7.3.2 In the case when more than 1 weekend of play is affected and the season has already been "pushed" the games will be deleted from the schedule and post season bracketing will be done based on games played.

16 PLAYOFF SEEDING AND SCHEDULING

16.1 All teams will be ranked using the end of regular season power rankings.

16.1.1 Power rankings equal the number of wins divided by the strength of schedule.

16.1.2 To make it easier to read, the results will be multiplied by 100 for final posting.

16.1.3 In the event of a tie the scheduler will refer to the tie-breakers in rule 17.

16.2 Up to the top 28 teams in each age group will be bracketed into three pools of 8 teams and one pool of 4 teams for the playoffs. They will be listed in order by their power ranking.

16.2.4 Pool 4 will consist of teams 25-28. 25 vs 28; 26 vs 27.

17.3 Points allowed v. common opponents

17.4 Total points allowed

17.5 California Play-off

17.5.1 The highest-level tiebreaker that applies to all/remaining teams should be applied.

17.5.3 The remaining teams will then be seeded using Head-to-head.

17.5.4 If remaining teams have not played Head-to-head, then points allowed versus common opponent should be used to exclude teams from the tie and elevate one team to the first available seed.

17.5.5 The remaining teams will then be seeded using Head-to-head if possible or the cycle will repeat.

17.5.6 If, and only if, no other higher-level tie breaker can be applied to remaining teams, a California Play-off will be played.

17.5.7 Forfeits will not be factored into points allowed v. common opponents or total points allowed.

17.5.7.1 If a forfeit offers any team an advantage or disadvantage in points tie the Forfeit should be neutralized to calculate 17.3 and 17.4 by calculating the teams average points per game and adding that number to the total points allowed. If a tie remains move to tiebreaker 17.5.

17.5.7.2 California Play-Off will not be used to determine seeding positions. The team with the most completed games will receive the higher seed.
