

Quick Rules for Coed:

1. **Walking a male:**

If a male walks with **less** than 2 outs then the female must bat.
If the male walks with 2 outs the female then has a choice of batting or directly going to first. When walking a male, the male **always** goes to second. No matter how many outs.

2. **Each team must bat an equal amount of males and females.**

We will let an odd amount of females to bat 6 women to 5 men, but not the other way around.

3. **Teams must have 8 players to start, consisting of 4 men and 4 women.**

If the team has 9 players and the extra is a male they can only be used as a sub for another male, and the team plays with 8 until another woman shows up. If team has 9 players and the odd player is a women it is up to the umpire and the other team to let the odd women play.

4. **20 run rule after 3 innings, 15 run rule after 4 innings, 10run rule after 5 innings.**

5. **60 minute time limit on games.**

6. **Pitcher/Catcher must be 1 male and 1 female.**

8. **Teams may bat all players. Still must be equal men to women ratio. ie: 14 players team can bat 7 men 7 women. 15 players team can still only bat 7 men 7 women, unless the odd number player is a woman. Team can then bat 8 women and 7 men.**

9. **Batter starts with 1-1 count, and there is no courtesy foul ball.**
10. **ABSOLUTELY NO ALCOHAL IN OR AROUND DUGOUTS, IF PLAYER CAUGHT DRINKING ALCOHAL WHILE PLAYING IN THE GAME, THE PLAYER WILL BE EJECTED FROM THE GAME. **No Excuses!!!!!!****
