Intent to protest must be so noted in the scorebook by an umpire at the request of the coach within five minutes of the conclusion of the game. - D Field dimensions will consist of 60 ft. bases and 35 ft. pitching rubber will be used in this league.
- D Coaches will act as pitchers in 8U softball and baseball.
- D No player may sit the bench for more than 2 consecutive innings.
- D Every child plays at least 3 innings.
- D The official scorekeeper is to be notified of all substitutions in the field.

### Batting Rules:

- D All players will be placed in the batting order. However, only 10 players will play the field each inning.
- D A team's "at bat" shall end after 3 outs or they have scored 5 runs in an inning, whichever comes first. Once the play has ended after the 5th run has scored the umpire will call time out and the inning is over.
- D Every player present at the games will bat regardless of whether they are playing defense.
- D Batters throwing their bat will be called out. No bunting will be allowed. If batter attempts to bunt, they will be called out.
- D Each batter will receive a maximum 5 pitches, unless a normal 3 swing strike out has occurred first. If the batter fouls off the 5th pitch, they are out. No walks allowed. The coach must pitch overhand for baseball and underhand for softball. Each good pitch will count as a strike whether the batter swings (umpire determines good/bad pitches). Underhand pitching is defined as the pitching arm moving from behind the hip in one motion to a forward throw, releasing the ball below shoulder height. The batter either strikes out or puts the ball into play.

### Fielding Rules:

- D Games will be played by the coach pitch method. A player from the defensive team will play defense within 8 feet of the coach/pitcher's position. The coach/pitcher should not interfere with the live ball until it is handed to him/her.
  - Ten players will take the field on defense. Four outfielders and six infielders. Outfielders must stay in the grass. A team can start/end with 7 players. One coach from the defensive team can take a position in the outfield to help coach but must not interfere with the play. The team in the field may also place a coach behind the catcher to help chase balls to help speed up the game.
- D To be awarded an out at any base the ball must be thrown to teammate. Exceptions may be made with flow of the game based on umpire's judgment.
- D No infield fly rule will be used.

## Base Running Rules:

- D No stealing is allowed. No bases can be advanced except on a fair hit ball. A Runners foot must remain on base until the ball is hit. If not, the play will be called back and re-played. A dropped 3rd strike is an out, runners may not advance.
- D If a ball is hit to the outfield the player may take an extra base until the ball has been thrown back to the infield and the umpire rules play dead.
- D The ball will be declared dead by the umpire when the ball is inside the base path and play has been stopped by the umpire. This is the umpire's judgment that no further play is taking place. There will be a limit of one base on an overthrow.
