***A League-** Most players have some high school or college playing experience and have mastered most game skills. If there are not enough teams to form a league, it will be canceled and refunds will be issued. **Teams will not be placed in lower divisions.**

***B League-** Players have B league experience and are comfortable with most game skills. Roster should not include any A players. Teams that apply that are too strong for this league may be moved to a higher level league or dropped from the league.

***C League-**For players who are participating only for fun recreation. This league is for players with lower level volleyball skills. Not for teams that run a strong attack. Teams that apply that are too strong for this league may be moved to a higher level league or dropped from the league.
