

SOCCER COED DIVISION III: GRADES 4-5

This exciting and challenging program further develops the basic fundamentals of soccer skills, along with promoting teamwork and good sportsmanship. Goalkeepers are added to games and knowledge of playing offense and defense is developed. Teams meet twice a week for practice (days and times determined by coach) and games are played on Saturday mornings at Dick’s Sporting Goods Park.

Registration Information

The parks and recreation department forms teams based on school boundaries; parents please be sure to register your child for the school he or she attends or that is in your neighborhood. Proof of address or enrollment verification may be required before start of season. We will do our best to form teams for each school and to have practices take place at these locations. If teams are unable to be formed at your particular school, we will combine schools/teams that are in close proximity. Registrations received after teams are filled will be put on a waitlist. If enough players sign up before the registration deadline, we will do our best to form a new team from this list. After the registration deadline, waitlisted players may be added to a team if a player drops out before mid-season. Registrations and waitlisted players are on a first-come, first-serve basis. During the season, teams use local schools’ fields or gyms for practice. When there are conflicting uses, recreation staff will work to arrange an alternate location; however, practices may be canceled in rare cases. City staff makes every effort to find coaches for each team. If unable to find a coach, a staff member will run the first practice with assistance from the players’ parents. If a coach is not found prior to the first scheduled game, the team may be cancelled. This is always the last resort, so parents please help us find that perfect coach. If you know someone who is interested in coaching, please pass along contact information to Nic Jones at njones@c3gov.com.

Our Youth Sports Philosophy

Parents, keep in mind that all of the city’s youth athletic programs are guided by the recreational philosophy. It is our objective to give children an opportunity to participate in youth sports and ensure a positive experience and an equal amount of playing time. Volunteer coaches teach children the basic skills and fundamentals of the sport in which they are participating in; however, a strong emphasis is made toward developing teamwork, sportsmanship, and most importantly having fun. We encourage coaches to communicate to the children that success does not always involve winning a game and defeat does not necessarily equate with failure; a focus on dedication and hard-work from the child is often most important.

NOTE: We ask that children who participate in a competitive league for a particular sport refrain from participating in our recreational based program in that same sport. It is our goal to keep the level of play equal and fun for the recreational participant.
