PERMIT TO CONSUME

Standards for issuance and use of permit to consume fermented malt beverages in public areas.

- A. A permit shall be issued only to:
 - 1. An individual; or
 - 2. An office or agent authorized to apply for such a permit on behalf of a legal entity organized under or recognized by the laws of the State of Colorado.
- B. The person applying for such permit for him or herself or on behalf of such entity must be at least twenty-one years of age.
- C. A permit may be issued for social, fraternal, patriotic, athletic, religious, or charitable events.
- D. Denial of permit
 - 1. Issuance of such permit may be denied upon the grounds that such issuance would be detrimental to the public safety, health, morals, order, or welfare by reason of the nature of the event, the likelihood, in the reasonable judgment of the office of the City responsible for review and issuance of the permit, that the event would create a public nuisance or result in the consumption of alcoholic beverages by minors, its location within the community, or the failure of the applicant or permit holder in a past event, for which a permit was required, to conduct such event in compliance with applicable laws and regulations.
 - 2. Issuance of such permit may be denied if another event has previously been scheduled for that location on the same day for which the permit is sought or if issuance of the permit would unreasonably interfere with normal activities and customary and general use and enjoyment of the location.
 - 3. Preference shall be given to residents of the City of Commerce City and to businesses located within the corporate limits of the City of Commerce City for use of public areas under the control of the City.
- E. The City Manager or Director of Parks and Recreation may require any applicant to post a performance bond or letter of credit acceptable to the City attorney to assure compliance with applicable law. Any costs to the City of cleaning, repairing, or policing may be withheld from the performance bond.
- F. Each permit shall be issued for a specific location and is not valid for any other location.
- G. **No fermented malt beverages shall be permitted at any time at Freedom Park.**
- H. Permits shall be valid only for the period issued.
- I. Permits are valid for the individual or entity to which they are issued and are not transferrable.
- J. Both the applicant and the permit holder shall be personally responsible for any cleaning, trash disposal, or repairs necessary as a result of the event for which the permit is granted.
- K. The permit must be in the possession of the permit holder or applicant at and during the event and must be produced upon request of a peace officer.
- L. The permit holder will control the consumption of alcohol in compliance with City and State regulations.
- M. All ordinances, rules, and regulations of the City remain in full force and effect.
- N. Smoking is prohibited in any city park property, with the exception of any areas of park property that are designed and intended for the parking of automobiles (Revised Municipal Code 7-1014).
- O. Glass containers are prohibited in any city park property (Revised Municipal Code 7-1005).
- P. Only the consumption of fermented malt beverages is authorized by this permit. Other alcoholic beverages, including liquor and wine, not included in the definition of fermented malt beverages by state law remain prohibited (Revised Municipal Code 12-5006; C.R.S. § 44-3-103).
