

PEE WEE WINTER

Philosophy

Welcome to the City Of Fontana Community Services Department Winter Basketball Program. The philosophy of the City of Fontana instills a positive attitude, sportsmanship, basic fundamentals, confidence and high moral standards. Sports develop the physical coordination, psychological and social aspects of children. Our program emphasizes participation, fun, teamwork and sportsmanship.

We believe that in team sports every athlete must be offered the opportunity to play in each game. It is our goal to provide an environment of Teaching, Learning and Competing (TLC). These are the three ingredients to a successful program.

We teach children rules, skills, fundamentals, strategies to develop a positive attitude towards practices and competition.

We develop self-confidence and teach the importance of friendship, teamwork and sportsmanship.

Learning is greatly influenced by the atmosphere created by coaches. Coaches are committed to create an environment where kids can learn, have fun and forget the fear of making a mistake.

Competition represents nothing more than competing against yourself. Coaches inspire youngsters to embrace competition for it's promise of fulfillment, rather than it's potential for failure.
