

# Basketball Gym Information

## East View:

Basketball hoop handle/crank will be inside gym doors, to the far right, near PE office. Please return the crank to that area when practice is over.

## Fox Chase:

Basketball hoop handle/crank will be left out in the gym near the water fountain. Please return the cranks next to the water fountain when you have finished practice.

## Long Beach:

Basketball hoop handle/crank is in the storage room in the gym, along the left wall as you enter the gym, hanging up over the mop sink. Please return the crank to the storage room in the correct location when you are finished with practice.

## Old Post:

Basketball hoop handle/crank is hung on the fire extinguisher box near the drinking fountain. It is set out after school each day. Please return to the fire extinguisher box after practice.
