

# Basketball Gym Information

## PRAIRIE POINT:

- Basketball hoop handle/crank is right inside door #9, near bathrooms
- All baskets adjust

## FOX CHASE:

- Basketball hoop handle/crank is near the water fountain in the gym
- Side basket height is adjustable, but main hoop heights do not

## LONG BEACH:

- Basketball hoop handle/crank is in the storage room in the gym, along the left wall as you enter the gym, hanging up over the mop sink
- All baskets adjust
- If baskets are folded up, the “switches” to lower are on the wall, in the small corridor leading out to the hallway. The school has stated coaches will have to lower.

## EAST VIEW:

- Basketball hoop handle/crank will be inside gym doors, near PE office door
- End baskets adjust, but side baskets do not

## OLD POST:

- Basketball hoop handle/crank is by the fire extinguisher box, near the drinking fountain
- End baskets do not adjust, but side baskets do

\* Please return hoop handle/crank to all stated above areas when you are doing using it
