## Explore the gift of giving.

Let us put your money to use in your community through our programs, activities, gift certificates, sponsorship opportunities, and donations. You will see the positive impact you helped create. Receive the knowledge that you have made a difference by contributing toward enhancing parks, grounds, and recreational/historical programs. Your gift helps the City continue to provide excellent services to its constituents. You will also inspire others to give and develop a better community, provide enjoyable recreation options, and improve the quality of life for your fellow citizens. Your gift allows others to benefit from our programs, parks, and trails.

The impact of your gift also opens up funding for other programs, activities and special events.

### Tax Deductions

*The value of your gift, depending on your tax situation, may be claimed as an income deduction. Your gift provides an avenue for the direct expression of public support and pride. The results are tangible and it allows you to direct your taxes for a specific purpose. Again, giving from this donation brochure may be tax deductible to the extent tax laws permit.*
